## What is the Wisconsin Common School Fund?

Created in the state's Constitution in 1848, the Common School fund is disbursed yearly to school districts based on the number of residents aged 4 to 20. The money is allocated for library books and related materials. This Wisconsin Department of Public Instruction, run by State Superintendent Tony Evers, reviews the Common School Fund procedures and gives periodic updates.

For more information, visit <http://dpi.wi.gov/sfs/aid/categorical/common-school-fund>.
